I was a social worker at MMHI when Carolyn worked there. I remember her as a person I could relate to easily. She was such a comfortable person to talk to. I really liked her. I am sorry for your loss.

I was the young lady on The Learning Center; Carolyn Adams was responsible for me getting the job! I had the opportunity of learning how to create schedules and make daily assignments etc. all because of Ms. Adams. She interviewed me, never mistreated me and in fact always treated me special. It has been a long time since the early development of The Learning Center and a long time since I've seen Carolyn...but I've never forgotten her. I'll never forget how she showed me a young woman good old fashioned respect.
