Glenn was legendary. The Dietary Director before myself, Betty Herron, and he would talk fishing and he would tell me jokes, one right after the other. It didn't take me long to fall in love with Glenn. He was a very generous man who enjoyed treating others to weekends at The Horseshoe Casino. Several weekends my husband and I sat with Glenn and had the best time imaginable. Even though Glenn is gone, I will forever think of him with kindness and love in my heart for this wonderful man. Thank you, too, to Wendy and the service team at Floied Fire Extinguishers for your continued hard work. I know you are all making him very proud. I will miss him. Jane Campbell

For those people who took the time to listen to Glenn talk knew that he was a very giving, hard working man that had a joke for every second of every day.....and boy did he like to tell his jokes. Sometimes, he would catch me in his office when I would just go in there to ask him a question and he would start telling me stories. I would be listening to him, always trying to figure out if he was just pulling my leg or telling me a true story. Next thing I knew, I'd been standing there 30 minutes or more. Glenn just had a way about him that most people don't have. He has done so much for me and my family and I am forever grateful. Glenn will always be in our thoughts, prayers and everyday life through Floied Fire Extinguisher. He will never be forgotten.

My deepest heartfelt sympathies to all the family and friends of Mr. Glenn. He was the best boss I ever had, a hard business man with a big heart. He helped many men redeem themselves after their downfalls. He allowed me to continue working for him when others would have been fired. We can pray that he found his redemption in Jesus Christ. He was like an older brother to me and many others. I know he will be greatly missed. May God comfort all.
