Call me selfish but i wasn't ready nor will I have ever been ready to let you go! I love and miss you so much. People say it will get easier but they must have never lost someone that was as special as you. I don't see how it will ever become any easier for me as I miss you more and more each day. I am so lost without you. I feel so empty.I know that you wouldn't want me to be sad and that you are in a better place but it doesn't make me love or miss you any less and not want you back here with me! I need you so much.I wish I had just one more day or I could hear your voice one more time, give you one more hug and let you know how sorry I am that I took your time here for granted. Please know I love you so much and miss you even more. Always and Forever ~ Kim

If roses grow in Heaven Lord please pick a bunch for me. Place them in my mother's arms and tell her they are from me. Tell her I love her and miss her, and when she turns to smile, place a kiss upon her cheek, and hold her for awhile. Because remembering her is easy, I do it everyday. But there is an ache within my heart that will never go away.Miss you mom ~ Lora

We little but knew that day God was going to call your name. In life we loved you dearly. In death, we do the same. It broke our hearts to lose you. You did not go alone, For part of us went with you, The day god called you home. You left us beautiful memories. Your love is still our guide. And though we cannot see you, You are always at our side. Our family chain is broken, And nothing seems the same. But God calls us one by one. Our chain will link again. Love and miss you always mom ~ Kim
