It is going to be difficult not to hear Pat's voice telling us all about her Thanksgiving with the family, her Christmas celebration with her loved ones. She always greeted us with such a cheerful hello and made us feel a part of her own family. Thank goodness we were able to see her in Memphis in the fall of 2013 when we visited the USA. She and Lester lived across the street from us on Tall Trees Drive, Memphis and we had meals and chats together to create a bond we have always treasured. I still play music from scores Lester gave me when he could no longer play the piano. Pat's recipes for pies are still in my recipe box. We send you our heartfelt sympathy and many loving thoughts of both Pat and Lester to accompany her on her last journey. Susan & Hermann Jenny
