Uncle Curtis, you will always be in our hearts and never forgotten. I am so happy that we were able to see you this past April. You have always held a special place in my heart and I will always remember your snickering laugh and the fun times we had back when we were growing up. Aunt Carol, Barry, Melissa and Richard. May God wrap his arms around each one of you and comfort all of you during this time. Aunt Carol, thank you so much for blessing him with a life filled with love and happiness you shared together. Most of all, thank you for taking care of him during his sickness and seeing to his care. You are a remarkable and an outstanding lady.
