This is such a shock to me. I am so sorry for your loss. I am saddened more by my procrastination. I found a note to myself to find Rick. The note was written a couple of years ago and I was cleaning up my desk and found it. I searched FaceBook and found nothing but when I typed in Rick's name on my search page, my biggest fear became obvious when it was his obituary. Rick and I were instructors and close friends at NAS Memphis AMS School in the late '70s. The families of the instructors spent a lot of weekends at cookouts and family events. That was many years ago and I regret not staying in touch. SEMPER FI my Brother and Rest In Peace.
