I work at MAA, corporate office, as part of the Accounts Payable team, and I had the pleasure of providing support to Martha from time to time. She was such a delight to speak with – always kind and pleasant. She was never demanding even when her situation was urgent. I will miss her beautiful spirit. So sorry for your loss and pray that God will comfort you through this difficult time of mourning. Clara Allen

I work at the corporate office at MAA and provided support to Martha, whenever I spoke with her she was always polite and kind. She had the most welcoming voice, and I could tell just by talking to her that she had a kind soul. She will be truly missed here at MAA and I'm so sorry for your loss.

I work in the corporate offices at MAA, and Martha was always such a pleasure to work with. (She always felt bad for making me work, and apologized profusely for making my day tougher!) Of course, she was the kind of person who you would do anything for to make her day a little easier. I'm so sorry for your loss. She was special, and will be missed. Anita Jackson
