Ms Jane I have so many fond memories of you and your entire family. I don't know how you survived all your boys and the Messina girls down at Beauna Vista Lake all those years. We all were quite a handful. I couldn't wait for the weekends to come so we could go the lake. I thank you for some of my best childhood memories. Love, Debbie

Hi My name is Connie Messina Wheeler. Jane was my confirmation Godmother. My family and I, my husband Tom and my 3 children use to go to the Buena vista lake with Jane and family every sunday. One time when everyone was there we were on the pondtoon and all the children were sitting on the front and it started to go under. The best thing about going to the lake was everyone bringing fried chicken and spaghetti and eating all together. She was a wonderful person. Wish I could be there with u all but God has me here in Bloomington IL. I lost my husband 7 yrs ago so maybe they are in heaven together.
