Amanda, Thank you so very much for trusting me to care for your precious son Dakota during his journey on BMT. It was such an honor to care for him, and get to know you. You are an amazing mother, and a tremendous advocate! I will cherish all of the memories from taking care of Dakota, and will never ever look at a Lego the same again! I will be praying for you and your family! Dakota will certainly be missed!

My heart is so heavy as I learn about the passing of my friend, my baby. Winning Dakota's trust was not easy but once I did, I think he looked forward to coming to my desk to register just as much as I looked forward to seeing him on every appointment. He will truly be missed. May he be at peace. Love Gloria Garrett Patient Registration Staff
