Anne Fleming was loved and well respected by her "dog" family. Earlier she was an active breeder of Dobermans, Beagles, Smooth Fox Terriers and Dalmatian dogs. Both breeding and owning many, many champions As an AKC judge she gave her all to newcomers in her ring and welcomed every one with her gracious smile. That being said the loves in her life were her late husband Irv, her boys and their families. Anne you will be greatly missed by those who loved you and those you loved so deeply. May you rest in peace.

With sympathy to the family of Anne Talley Fleming. Mrs. Fleming's parents the Talleys were my precious neighbors in the 1970's . How very special they were. They brought me cookies , flowers from their garden , adorable small gifts on special occasions some of which I cherish today. They looked out for my home when I was away working or traveling and kept my little dog for me. They were an adorable, fairytale couple who adored their only child Anne, their grandsons and Dr. Fleming .They will forever hold a special place in my memory and in my heart. I am truly sorry for the loss of their Anne. Marilyn L. Dowd
