I was saddened to hear of George's passing. Our family has many fun memories of him. Some of our best times were whitewater rafting. He loved it so much. I could always depend on his help with my animals. I got 3 awesome Weimaraners from him. They have all passed away now and before George's accident I'd been looking for a new puppy. We got a blue female 2 weeks ago and decided to name her Marlowe after George. Our thoughts and deepest prayers go out to the family... Love Richard, Kim, Sydney, and Jesse Tyler

My deepest sympathies to George's family. I hope that you can eventually find comfort in the thought that someday soon God will reunite us with our loved ones on a paradise Earth. (Hosea 13:14)

George and I went to high school together. I have so many memories of riding around in George's corvette listening to Dwight Yokum! I will certainly never forget all the good times and great memories. My prayers are certainly with his mom and the entire family during this time and for the days ahead! May God wrap you in His arms and give you the comfort and peace that only He can provide. Fly high George... Till we meet again.
