To the Mann family: The Wike's from Hayes, VA are grieving with you at this time and offer our condolences of the passing of a dear friend, co-worker, wonderful Dad, and faithful son and brother. I worked with Dave at First TN Bank for 15 years, and came to know him better over the last several years. In his work life, I saw an extremely talented, hard working guy, who put his heart and soul into his position, and did much more than what is typically required. He had talents outside of work, many which I will never come to know. He deeply loved his daughter Shawna very much and his beautiful grandkids. He had a great love for music and his tastes crossed over many styles. We used to love going over and hanging out at this place and listening to his music library! He loved car racing and helped his buddy Terry Bryant rebuild several of Terry's cars. Oh, and loved boats, big boats. But what I will miss most about Dave was his "laugh"...it made you smile. Dave will be greatly missed, bit I hope to see him again one day, beyond that River. God Speed to the Mann's and may god's love surround you at this time. Steve and Dee Dee Wike

I worked with Dave for too many years to mention. I had a lot of respect for his technical knowledge but also for his sensitivity to others. He will be missed by many. John bynum
