I am JUST now learning of Cory's death. I went to grade school and high school with him and we had a lot of mutual friends. This just makes my heart sink and my sincere condolences to his family. He was greeted by many old friends and I know he's in a better place than we are. I'm sorry for this loss at such a young age. My thoughts and prayers are will everyone.

I have so many wonderful memories of Cory! I remember sitting around goofing off and making jokes around the old school house way back in the day. The little things. Sheila, I love you dearly and look forward to spending more time with you in the future!
