Greg, I just looked you up and found out you were no longer with us. I am saddened to hear about your passing and I pray for your entire family. You were a good man, good friend, and I especially want to tell your mother and Lisa my condolences to them. Much too young to leave us, my first childhood friend. I will always think about you and remember our youth and old times as children living across the street from each other. (If I can tell you something funny, my mother told me that when she was outside and you were across the street you would yell to her, "Mary Lena, Mary Lena, can Allison come out and play"? LOL Always my love for you and your family. P.S. Miss going trick or treating to your Mom.
