My condolences to Fred and the family. Charlotte was irascible and loving and intelligent and absolutely adorable! She was especially considerate after the passing of my mother in 2009; she was always considerate. I will remember her always, with great fondness and tenderness. My love to all...

My deepest sympathies to Fred and family on your loss of Charlotte. She was the coolest lady! We will miss her so I had many fun memories of her at the house trying to make Mom behave!! They are definately working those crossword puzzles together once again. Many hugs to you and family
