I'd like to offer my condolences to the Presley family. Mr. Presley was my favorite principal when I attended Egypt Elementary in the 80's. He was a good and kind man who was always fair with the students.

My most heart felt condolence to the Presley family. Mr. Presley was one of the kindest men I've ever known! He hired me in 1983 as a Teacher's Assistant at Egypt Elementary. He was a great principal and friend to all of us. He fully supported his teachers and staff and was a pleasure to work for. There hasn't been another principal at Egypt that comes close to Mr. Presley! My thoughts and prayers are with you all. Marilyn Scroggins

Lori and Tony, Your Dad and I had so much fun together loving kiddos and ministering to them. He helped me at our annual Camp of Champions, He helped me with my fishing rodeo at TBCH and helped me take kids to Destin deep sea fishing 15 years plus. I have been ministering to teenagers for over 35 years and your Dad was my number mentor!

Tony and Lori, so many of my best childhood memories are of your dad, and the wonderful summer vacations we spent with him and Aunt Nina at "Uncle Lee's cabin". I know we were just three of the many children he blessed with his enormous energy, enthusiasm, and humor. You have so many reasons to be proud of him. May God bless you and give you the grace you need at this difficult time.
