Karen, Michael was a friend of mine. I met him as a contractor and we became fast friends. He was like a big brother to me. I had not been in touch with him for some time and now just discovered that he had died. I am devastated as he was truly one of the finest I have ever known. I would like to contact Mitzi to express my condolences and to somehow help her out. She has also done some work for me and if she is willing I would like to hire her again on a permanent basis. If you have a telephone number please send.
