With great sadness, we offer our prayers for peace to the entire McAlister family. We will hold close the memories of the times we spent together at St. Georges and the softball fields around the city. What a stunning loss, and while it doesn't seem so now, God will provide you with the strength to move forward and look back fondly on those times, cherishing each day you had with this wonderful lady. Sweet, Beautiful Renea! Her office and mine were directly across from each others. That made it easy to interact daily and during those times we often shared personal stories. We worked so very well together and I already miss her very much. I will always remember her voice and the way she laughed. May God bless her precious family and may He draw them near during this difficult time. Carol J. Light BMG-The Medical Group
