We used to call him "Scottie". His mother used to be my moms beautician. I remember when I I was a child & Scott would come spend time with us, he always was the life of the party & made everyones day brighter. Now I truly believe God sent an angel "Scottie" to brighten many lives, especially ours! Love Dee Dee & DeLeon family

The next time each of you go out to eat, everyone of us should order a sweet tea, half sweet and half unsweetened. That's the way Scott, AKA "Cooter" would have it ordered. All, do this in memory of Scott, one of the nicest guys I've ever known.

I worked with Scott over the past 8 years during basketball and soccer season, and not a week went by without his upbeat attitude brightening my day. We used to talk for sometimes hours at a time during those long days, and I always enjoyed his company. RIP Scott, we will miss you.
