I will forever miss your smile. You were a ray of sunshine in my life. I will always love and remember you. Visiting you over the years was such a joy and I know that you are with the Lord cheerleading for me to be the best that I can be. I will miss that twinkle in your eyes every time I walked into your room. Therefore, every time I see a twinkling star in the sky I will know that it is you watching over me and desiring only the best for me. Thanks for motivating me and being such a positive mentor for me.

Although I didn't see Miree often, when I did, she made me feel like I was the only person in the room. That's a gift from her that I will always remember and endeavor to copy. How much cheer and happiness she projected! She put positive energy and love and humor into the world. In that respect she lives on inside the lucky people who knew her. I will never forget her. My heartfelt sorrow to the family..... Julie DeBardleben
