Although I have seen Aunt Glenda for many years, I will never forget how special she was and is!!! She had such a charismatic, loving personality and a beautiful smile. I would have loved to be just like her. My prayers are with the family for God's peace and assurance that she is in His presence and we will see her again! Love you! Lori McGaha (Haston)

Doug – We are so very sorry for your loss. You two were so great together, a gift you will treasure forever. Glenda was a lovely person both inside and out with that great smile and her unique ability of making everyone feel special when, in fact, she was the special one. You were so lucky to have found her but I am sure she would say she was the lucky one. You were so right when you said if you didn't know Glenda you missed something special. As I said when we talked on the phone, the video tribute was amazing, a great glimpse into her life with her beautiful family. Glenda was so kind to us when we stayed with you, remember the fresh homemade bread she had waiting for us every morning when we awoke? I remember the walk she and I took so we could have a "talk" at the wedding in OKC and the four of us at the Struble reunion. Great, classy lady who we are blessed to have had in our life. Love, Diane and Wayne Anstine
