My heart is breaking for the family. I loved your sweet mother very much and our families have known each other for so many years. She was such a wonderful lady that will be greatly missed. I know she is at peace with her Lord and the love of her life (Primo). I pray for peace and comfort for her boys and their families. She loved you all so much!

In my mind I see her. The Lord is holding one hand and Primo the other, smiling down upon us from above, I take comfort in knowing she is finally at peace. It's also a comfort knowing she spent her final years on this earth in the love and tender care of Rick and Bo. I saw her happiness first hand as she knew she was truly loved! With a heavy heart I extend my sympathies to Rick, Tracy and Terry and all the family members in the hope that it helps in their time of pain. God Bless...
