**Sharon Anderson** posted:

I am very sorry for your loss. Loosing a special loved one in death can be very difficult. According to Acts 24:15, there will be a resurrection. 1 Corinthians 15:26 tells us that death is an enemy of God and he will undo it by means of his resurrection. He will call and all those that are sleeping in death will answer. I hope you find comfort in knowing that God cares. I hope you find comfort in the resurrection hope that he has provided for the future. Please accept my condolences.
