Warren Matthew Barbee

JUL 2, 1969 - APR 22, 2014

Warren Matthew Barbee, 44 – Beloved son, brother, uncle and dear friend to many passed away on April 22, 2014. He is survived by his parents, Peggy Hall Barbee, and Taylor G. Barbee Jr. (Marilyn), along with his sister, Catherine Kastner (Ron), and niece, Helen Kastner. He was preceded in death by his grandparents, Mr. & Mrs. Taylor G. Barbee, Sr. of Memphis, TN, and Mr. & Mrs. James L. Hall of Tuscaloosa, AL. Warren was born on July 2, 1969, and enjoyed every level of life to the fullest: family, friends, golf, flying planes, cooking, music, Alabama football, and his yellow lab, “Bama”. His enormous personality exuded kindness, and he loved making people around him happy. Warren’s laugh was inspiring, and he always had a knack for making others feel comfortable in any situation. We will miss Warren immensely, but know our lives are better for having had him with us for the 44 years of life which he lived with such passion. Warren attended Briarcrest Christian School and SE Missouri State University, where he was a member of Pi Kappa Alpha fraternity. The family will receive friends from 5-7 p.m. Thursday, April 24 at Memorial Park Funeral Home. The family requests that memorials be sent to the charity of your choice. Funeral arrangements have been entrusted to Memorial Park Funeral Home and Cemetery, 5668 Poplar Avenue, Memphis, Tennessee 38119, 901-767-8930, “Behind the Stone Wall”

I couldn't believe the news when I heard it from an old friend from the Jr. High (WPS) we attended with Warren. Warren and I went to different high schools and didn't keep in touch, but I have good memories thinking back to those Jr. High days (including spending time with him playing Pac-Man on Saturdays at the all-you-can-play-for-10-bucks morning at the video arcade). Warren, you were funny as hell. I know those all around you will miss you tremendously.

Warren, I cant believe you are really gone. We just talked about getting a bite to eat a little over a week ago. There are so many memories we have that hold near and dear to my heart over all these years that I will cherish forever. You were the best of a friend anyone could ask for. You had a heart of gold and could make me laugh till I cried. From the many Bama games we watched together on tv, to you taking me to buy me my first Bama hat and shirt before we went to the big game, to all the days and endless nights of laughter and long talks, to all the early morning brunches.....we always had the best of times together. You will always hold a special place in my heart. Till we meet again...ROLL TIDE... I love you, Andrea Hall

On Mother's Day many years ago my daughter and I were having brunch at Outback on Union. Warren was there with some friends. When we got ready to pay the bill out waiter said it had already been taken care of. Warren had paid our bill and we were appreciative. That was the kind of person Warren was, always thinking of others. He always had a smile and took the time to catch up on the latest news about my daughter Allison. He will be greatly missed. G. Warren was always a bright spot in my day when he came to visit me at Burch Porter & Johnson and then at Wright Medical. I blame he and Greg for at least 15 lbs due to their fresh cookies that they delivered. As we all know, he loved his family with a passion as they did him. Warren was someone you could just not get angry with — he could bring me a copy order that had mistakes in it at a deadline and before he left, we would left (1) he would have had it taken care of; and (2) we would be rolling in the floor laughing. Then, of course, a whole group of us would go out afterwards and talk for hours. There's just not enough space to say how much I loved him and how sad I am that I lost touch with him the last couple of years. My prayers are with the entire family.
