Share a memory of Maxximus Sales, or send a condolence to the family...I saw Maxx every morning when I dropped off my son. I will miss seeing his cute shy smile. I pray for you and your family to have the strength to deal with this. Please read Revelation 21:3-4 this has helped me deal with sad times like these.

My deepest condolences to Kayla and the rest of the family. Maxx was a very handsome little boy, and you have beautiful memories that you shared with your son. As a mother, my heart constantly aches for you and there are no words that I can extend to you to ease your pain. I have been praying for you and will continue to pray that God embraces and lifts you all during this very difficult time.
