Really, really hate to hear about this. John and I were work mates for close to 20 years both of us being in the Support Dept. at MC². We shared so many laughs and jokes we sometimes had each other crying we were laughing so hard. John had so many voices he could emulate it was incredible. And our cookouts where he cooked were ALWAYS the BEST!!! I've been missing you since you left John and will continue to think of you!Mike Allgeie

So sorry to hear this news. John was a good friend. Many of us have missed his presence in the office over the past few years. He was kind and always a positive staple in the office. Not to mention he was one of the funniest people I have ever met. John gave us all nicknames which have stuck around to this very day. He was special to many of us at MC2. God bless you and yours.
