Sweet is the memory of distant friends! Like the mellow rays of the departing sun, it falls tenderly, yet sadly, on the heart. – Washington Irving Jennifer was one of the few people who made xray school bearable, and hard work fun. The first time I ever went from caregiver to patient, I felt no fear, because a voice came up from behind me, and in that distinct accent I heard "Oh no! Not Lil' Mickey!" I knew I didn't have a single thing to worry about. Love you Jen!
