My name is Larry Raspberry. Johnny and I met when we were both 4 years old. He was one of my first playmates. We lived near each other and went to school and church together. I spent many happy times at his home throughout my teens and knew his Mom and Dad and Billy as good friends and people who loved me. I was John's best man at his first marriage. I am sorrowful at the thought of his passing and I offer my condolences to his family and children and grandchildren. John will always be a rich part of my memories. Sincerely Larry and Carol Raspberry
