Oh what can I say about this lady? I always felt loved around her. And my family felt the same way. Such class she had. Always dressed just perfect at any function. Worked hard in her life with her alterations and sewing. She made Angeline and my vacation clothes one year so we would be like twins. Loved to laugh and have a good time. I pray for her family that they will ask God to heal them at this time. I hope she is with my Mother Julia. May God Bless her and the Family. Love you so much Aunt DOT,Amber Brown Rice
