To my dear friend Tim and all of Shannon's family. Thinking of all of you during this difficult time. Shannon was a beautiful person inside and out and her warm smile will be missed by everyone who knew her. I am sure she touched many through the years and had many wonderful friends. Her picture I am looking at right now as I write this is one I have always remembered from high school. It is such a GREAT picture showing Shannon's beautiful smile and personality. Tim, you and all of Shannon's family have many thoughts and prayers being sent your way. Take comfort in those thoughts. Julie Adams McFadden

What does one do when the urge is to pick up the phone and call? What does one do when they look at the paperweight received for Christmas, 1983? What does one write when they've lost a best friend? I can't say I will miss you because you will always be present in my heart and in my memories. All I can say is "Thanks for being my friend."
