I will remember Gladys Streicher as my Mom's best friend, the one with the cutest smile and always offering a hug and a kiss to make your day a little brighter. She will be missed by many. I can see all the card playing bunch in a little corner of heaven, laughing it up with Ed and Margaret, Russell and Gladys and and now Willie and Gladys back together again. My prayers have been answered that they are all together again and feeling good. Now my prayers go to the families left behind that will have to wait their turn to join the fun.
