My Pawpaw was the most gentle, caring, loving grandfather any girl could ask for... It's no wonder my daddy turned out so great! He held no ill will towards anyone! If you ever needed anything he was the first one to jump in and help you. Nobody who has ever become acquainted with him could say anything but he was a great man! I love him so much I know he will be watching over all of us now and he wont be confined to a wheel chair or bed anymore! He will forever live in our hearts.
