My fond memories of growing up and visiting my cousin Carla. When I got to Stay with Aunt Mark and Uncle Mac, we got to have alot of fun. I remember them letting us take a walk and I don't know how many miles we walked that day (places we never should have been). Aunt Mark would let Carla have some priviledges I didn't have (Carla was the baby of the family as I was first born) —so I also got to know there bathroom well when I got sent to time out (by my dad) before timeout was cool. ?? I have memories Mostly around the years (many years) they lived on Forrest. I was priviledged to actually have her as my great-aunt and she blessed us with Rocky, Buddy and Carla. The legacy will continue on and I must through in one of her abilities that I know Carla inherited and probably Rocky, is her impeccable concern about her house being spotless (I love you all) Terri
