Jim and I attended the same High School in Eufaula, OK. He and I served in the USAF together at Keesler AFB, MS. We also attended Oklahoma State Univ. together. Jim served as Best Man at my wedding in 1959. Jim was well liked by everyone. He was a private person and respected. We offer our condolences to his family and friends. David Brady

Mr. Brady, thank you for your kind words. Yes, my father was a very private man. It's nice to have that affirmed. Thank you for your service. He never talked about that part of his life. He taught me many ways to view life, for ours is not the only view.

Jim and I grew up together in Oklahoma. We are distant kin. His mother was my Grandmother's 1st cousin So that puts us down the line. My Dad & Mother was close to Shack and Era. We both worked for USDA, me in ASCS and Jim in the Cotton Division. One summer in college, we worked for a farmer in the wheat harvest at Nash,OK. We lived in an old church building without doors and we would have to chase the greyhounds off our bunks to go to bed. We worked about a month there. We are very sorry to hear that he has passed away. We extend our sympathy to Matt and Carolyn. Curtis Pollard
