Mike, thanks for the time with your dad last year, we all enjoyed working with him during his physical therapy. It was always good to see the good father/son relationship the two of you had.

Mike, I am very sorry to hear about your dad. I know you two were very close. I met him at the Station 4 opening and he was so nice and funny, too. If there's anything I can do for you or your family, all you have to do is call.

The sorrow of the faithful is not that of permanent loss but the tender sense of sadness that comes in saying good bye for now to someone you love. May today's sorrow give way to the peace and comfort of God's love.
