Louise was someone I saw every day when I went to the mailroom. I remember where and when she told me of her illness. It's hard for me to believe she has been gone all these years. I think about her often and long for the days when I was working at Le Bonheur and she was too. Everyone loved her! Donna (Richard) Smith - February 12, 2022

Dear Mac and family, We all were so saddened to learn of Louise's passing. But we are comforted in knowing that as a Christian, she is in heaven with Jesus, more alive than ever before. She is rejoicing and we will see her again.
