Layne and Ruthie. I am so sorry to hear about your loss. Even though I never met your son or daughter, I always enjoyed hearing about them when I worked at George B Jones and you would take us out to lunch and spoil us. I will keep you both in my prayers

Mr. Maupin, I was so sorry to read of the loss of your son. My grandmother used to say that there is nothing worse than losing one of your own children. I can only imagine how you must feel, but I wanted you to know that you and your family are in my prayers
