Still missing you, your face, your hugs, your love Daddy. 2 1/2 years later. I know where you are for sure. I know I will see you again. I type this as if you could read it, maybe that is comforting to me. I LOVE you!

A sweet, handsome man thst was a devoted husband and father. I remember all of you like yesterday from visits to your house in Memphis when you were babies, toddlers, snd children. I thought the world of your mom and dad snd Ava and I was such a kid myself. Your uncle Gene married my mom in mobile. I have just lost my mom and there are a few photos for you if I could know your email address. They were my mothers. I unfortunately do not have any of your dad but I have not seen them all. I am Donna. Leave a way for me to make contact if you can. I am so sorry that you lost your daddy but I know how you feel. God Bless you all, Jamie.
