Dear Amy, Don and family, I just now realized that your mom passed in January. Marsha Hassler and I visited Olive and Faye on Mendenhall a while back. We had lunch and Reminiscenced about happy times at HHBC and old friends. Amy, I remember spending the night with you upstairs and playing pool (sort of) in the basement. We had lots of fun in that basement, looking at slides of far away places, playing games and having wonderful meals. We were an extended family back then and I have wonderful memories. 🌻 Brenda Gregg Landman

Dear Amy, Don and families, I was so sorry to hear about your Mom. What a wonderful and kind lady! She will be greatly missed by many. The last time I saw her was at Mom's funeral. It was such a nasty day but she braved the weather to say goodbye to her friend. I wish that I could be there to say my goodbyes and also to see all of you. ❤️ Love you, Janice Wells Greene

My family had the honor of being Olive's next-door neighbor for 20 years. Olive truly embodied the teachings of Jesus Christ through her actions and words. Olive always had a kind word or words of encouragement with every encounter. She had the ability to bring the best out of everyone around her. She loved her roses and gladly shared their beauty with her neighbors. Olive's love for life and kindness will live on in all those who knew her. My God bless her and her family.
