My daughter rode the bus with him since Middle school. She said he was always asking everyone.. "How's your morning?, or How was your day?". Once he asked her what she wanted most in life, she told him she didn't know. She asked him what he wanted most & he answered, " all I want to do in life is make people happy!" That's how she remembers him. He was a sweet kid, that wanted friendship & love & laughter. She misses his conversations on the bus. Praying for Peace for all & a change in others.

Maura, I am not sure if you'll get this or not but I am a current resident of Bartlett with two teenagers an eighth grader and a ninth grader in the Bartlett school system I have been grieving your son all over again with the event of what has happened in the last month here in Bartlett Have been doing my research to see what I can do to help our community and I would like to see if you read this if you could tell me what school your son went to, and if I have permission to utilize his name to fight this epidemic that is taking at least one child a year from us in Bartlett I had no idea . I have dozens and dozens and dozens of stories of sexual assault and serious bullying incidences within the Bartlett city school system within the last five years I'm ready to fight 9012068717 liznduke@hotmail.com will you help me fight?. All my love.

I had Dylan in the math class that I substituted for Mrs. Fanning 1st Semester last year. Dylan was very good in math but really loved the computer. I am really saddened by his passing. Rest in Peace Dylan. You will be greatly missed. Mrs. Sharon Taube
