Dear Karen, Frank and Dennis, We are so saddened by the loss of Uncle Frankie. Have so many memories of coming to your house when we were kids to visit, and when ever Dad needed something fixed! He was so smart, gifted and had such a great sense of humor. Will never forget the day he took Dad (Frank Wilder) and I up for an Airplane ride over downtown Memphis and the River. I was a young teenager and that was my first flight experience...so exciting! (And, now I have a son who is a Pilot...wishing I could have connected them over their 'Love of Flying'). Also, so grateful that he introduced my parents (Frank and Margaret) to each other almost 70 years ago! Wishing you peace and comfort in this extraordinary time, and praying for all of you and Aunt Verdrue (Aunt Ellen to us!). Will be sure to visit Uncle Frank when I can. With much love, prayers, and sympathy, Donna Wilder Medeiros & Family (Mike, Chris, Stephanie, Ryan and John)

I'm so sorry to hear of Frank's passing. My dad, Enos Evans, worked with Frank many years ago at either Ford or Dealer's Transport...some years before his FedEx days. My dad thought so much of Frank and his family. I remember coming to your house in Whitehaven for get togethers. Dad passed away in 2006....the last time I saw Frank & Verdrue was at his funeral. Prayers for the family....

Frank was a friend and partner that I cannot find the words to describe. The hours we spent working on our 172 and flying together we some of my best. God blessed me by bringing him into my life. Joe Calvert
