## **Fred Warner Jr.**

FEB 3, 1959 - APR 13, 2020

**F**red Warner Jr., 61, was born on February 3, 1959 in Memphis TN. He passed away peacefully on April 13, 2020. He leaves behind his loving wife Paula Agostinelli Warner, son Zach Warner, father Fred Warner Sr., brother Mark Warner (Jenifer), and numerous extended family and friends. He is preceded in death by his mother Louise Warner. Fred grew up in Memphis and spent the remainder of his life here. Fred began work in the grocery business and then in the food and beverage industry for many years. He worked as an events coordinator for many companies including ALSAC/St. Jude Children's Research Hospital. He fondly thought of the patients there as "his babies" and was extremely proud of his ability to support them in his job. Everyone that crossed paths with Fred met a truly special man. Fred leaves behind a legacy of love. He will truly be missed, until we meet again in Heaven. Due to his kind heart, Fred choose to be a "Hero" by being a Tissue and Cornea Donor which will benefit to up to 100 people.

There will be a private graveside service at Memorial Park Cemetery.

In lieu of flowers the family respectfully request a donation to St. Jude Children's Research Hospital in his memory.

I was blessed to be able to work at the same place as Fred. He always brightened my day. One morning I came into work feeling exhausted (I was pregnant, but it was too early on to tell anyone yet, so no one knew), and he had noticed the change in my normally upbeat demeanor. He popped his head out of the meeting space across from my desk and asked if I was okay. It meant so much to be seen that day, and I think back fondly on that memory of someone who noticed someone feeling down and took a moment to check in. It meant a lot. He will be missed.

My dear Paula, Words are not enough to express how deeply sorry I am for your loss. I have nothing but wonderful memories of Fred. I will never forget how thoughtful and kind we was towards me throughout the years and especially when Hurricane Maria went through my home, Puerto Rico. He was there to lend a hand when I needed it the most and was nothing but kind and patient with me during extremely challenging times. He was an amazing human being. I'm truly sorry for your loss. Please know that you and your family will be in my prayers. Sending you a big virtual hug, Alvis Otero

Paula, I can't begin to express how deeply sorry I am for your loss. Your husband was an inspiration to so many of us. His drive and commitment for ALSAC and SJCRH was evident each and every day. He had one of the strongest work ethics of anyone I've ever known. As I told you by the elevators that morning, I was already missing him in the mornings, as we frequently walked in together. I can only imagine how much you must miss him now. You and your family will be in my prayers. If you ever need an ear or a shoulder do not hesitate reach out. I found much comfort in talking to others who had suffered similar loss. Best regards, Dawn
