Dottie, as my mom called her was my Moms cousin. Through the years they communicated through letters and phone calls to each other. My mom ALWAYS enjoyed hearing from Dottie. My mom became ill and I kept Dottie up to date. She became a great source of strength for me. My mom left us in 2014...Dottie and I kept in touch. I have never met her in person, a regret I have now. Thank You Dottie, i hope you knew how much you meant to me♥
