Thomas Malloy

JUN 25, 1955 - SEP 15, 2020

Thomas M. Malloy, Jr., “Tom”, 65 passed away on Tuesday, September 15, 2020 at approximately 4:00AM at Methodist Germantown Hospital. Tom was a loving husband, father, and grandfather who was preceded in death by his father, Thomas M. Malloy, his mother, Margaret M. Malloy (nee Ford), and his siblings, Brian Malloy and Kimberly Boczar (nee Malloy). Tom is survived by his loving wife, Nancy J. Malloy (nee Koch), devoted son, Sean T. Malloy and daughter-in-law Emily N. Malloy (nee Brettell), and his beautiful grandson, Robert J. Malloy. Tom was larger than life and was so well-loved by all for his big heart, kindness to animals, and incredible sense of humor – he could make anybody smile and laugh with his quick wit. He was also well-known as a barbecue master who routinely deep-fried Thanksgiving turkeys for his neighborhood friends. He was an incredibly hard worker who had just retired after 44 years of computer programming as well as designing, implementing and continuously improving mainframe computing systems working for Unisys and then Methodist Hospitals, which was where he was last employed. He was just easing into retired life when he left us and was so fortunate to have spent time with his grandson Robert who was born this past August and who was the apple of his eye. He was the most wonderful man in the world, and we will all miss him tremendously. Rest in peace Tom.

The family will welcome visitors from 11:00AM-12:00PM on Monday, September 21st at the Memorial Park Funeral Home & Cemetery in the Peabody Room. A graveside service will follow at 12:30PM.

I Loved Tom. When I worked at Methodist we walked at lunch quite often. I counted him as a dear friend. We laughed big and considered our lot. He loved his family and friends and was an amazing man for my part. I just found out today and am stricken to see this. He was a great man. I remember when he installed his pool and how excited he was to share it with family. He often bragged about his son and Lucky the ice cream eating dog. It seems Sean was in a fencing team and as I recall was stunningly good in competitions. His dad was very proud of him and gave the good advice to those around him, do your best to make God smile today. I often think about his words. This world is a lesser place without him. His wife was his world and as I recall the best at keeping him in line. I will miss you bro. George and Anita Burns

Nancy, Sean, Emily and Robert I was heartbroken to hear of Tommy's passing. I am so happy that Jim and I spent those few days last October to see how proud he was of his family. It was great to see his smile and have some laughs together again. I wish he had more time to enjoy the family he loved so much and with his new grandson. Tom had to grow up at a very young age when his own Dad passed away so young, and he always tried to be the protector of his family. He will surely be there looking out for his family from heaven. You are all in my thoughts and prayers. Love from Susie

Tom was one of a kind. He loved his family more than life and would do anything to protect them. We were neighbors with the Malloy's for years. We could always count on Tom to make us smile. He loved animals and always went out of his way to greet them with love and affection. We will always cherish the found memories we all had on the cove. Everyone was like family there. The Lawson's hearts are broken for this sweet family but the memories they will always have near and dear to their hearts .Love you all...
