Dan was a great person and even better brother in law. Since they lived in TN, I didn't get a chance to see him, visit with him that often, but when we did, we could sit and talk for hours. I will always have fond memories of our trip [adventures] in Yellowstone and how we started at 7:00am and finished just before 10:00pm hiking, exploring, sightseeing, hiking some more and just being together to experience a fantastic place together with our families. Daniel will be missed greatly.
