We only have one set of parents and we somehow feel we have lost a significant part of our connection to the "Bigger Picture" of life when we lose them. May the Good Lord hold you in the palm of his hand in the coming days.

Dear family members of Bob and Lee Etta,I am writing on behalf on the Lonoke High School Class of 1951. We realize the grief you are all going through and will be praying for you to have the Lord's comfort during the days ahead. We loved your Dad and Mom. Bob and Lee Etta would always attend our class reunions and showed such love to all of us. Bob was our Salutatorian and one of the best liked boys in the class. He was always upbeat, friendly, immaculately dressed, and studied much more that the rest of us mostly careless and rowdy boys.We will miss hearing from him but for us, and his family, it's comforting to know that we will all be together again as the Lord promised to those of us who have trusted in His salvation.God bless you all and thanks for sharing your Dad & Mom with us over the years.Ralph Mashburn, for the LHS Class'51

Martha and Leah, I loved your Mom and Dad. We had so many fun times at the Thompson's and at their house when we all lived in Whitehaven. My favorite memory of Bob is the New Years Eve when Blake was about four and Bob taught him to tell time. I am not sure who was more excited over that accomplishment Blake or Bob. You have certainly honored your parents by the way you have cared for them. My love and prayers are with you,Gloria Bryson Elliott
