When I came to EBA and starting attending Elliston church, Mrs Doyle asked me to come play softball with Thedral & Daline. I did and little did I know the influence that she and the family would have on my life. Joined the choir, never missed church again all through junior high & high school-spent so many nights with the Doyle family and have such a special place in my heart for them. I have always shared her name with friends and family to let them know, I have always credited her for getting me started in what became a wonderful sports career for me. Her light will shine on for forever in my heart. I only hope I can be to others what she was for me all those years. ❤️😊🙏
