Beverly Cooper shared 3 photos to the **Tribute Wall** album.

I could go over to her house anytime and always feel welcome and she was always trying to feed me, just like a mother, and often I would let her. And she would bake me cookies. We would watch Wheel of Fortune(because I like it) if it was on even though I knew she would rather be watching Entertainment Tonight. She was the sweetest "other Mother" I could ever have.Beverly C.
