Jordan R. Garrison

MAR 2, 1990 - JAN 24, 2021

Jordan Ross Garrison, age 30, passed away peacefully at his home on Oak Forest Drive in Bartlett, Tennessee on January 24, 2021. Born March 2, 1990 at St. Francis Hospital in Memphis, Tennessee, he is preceded in death by his grandparents, Frances and Hulon Newman, his grandfather, Jake Garrison, and his brother, Jason Paley. He is survived by his mother; Kathy Doreen Garrison, his father; Steven Ward Garrison, and his brother, Brandon Garrison.

To those who knew him, Jordan is remembered as a boisterous young man possessing the reckless heart of youth but also the warmth and tenacity of an old soul. He enjoyed watching sports, specifically the Memphis Tigers and the Memphis Grizzlies, was fond of fishing and camping, and found enjoyment in various styles of music. But most of all, Jordan loved his family and the companionship of his friends. The family appreciates the concern demonstrated by Jordan's several friends during this time of grief and would specifically like to acknowledge the care and devotion they have demonstrated in the preparation of the services observing his passing. Jordan graduated Bolton High School as a member of the Class of 2008. After, he attended the University of Memphis, attaining a Bachelors' Degree in Marketing and Supply Chain Management. During his time at University, he actively took part in various events and activities including serving on the Student Ambassador Board as Vice President – Event Planning & Programming Coordinator. He was especially proud of the work he and others did developing and implementing the University's Event in observance of Veteran's Day.

Jordan was a healthy and vibrant young man whose passing shocked all who knew him. His parents take comfort in consigning his soul to our creator and his spirit to the loving arms of the friends and family who preceded him.

Family and friends will gather from 5:00 PM until 7:00 PM at Memorial Park Funeral Home, 5668 Poplar Ave., Memphis, TN 38119, Tuesday February 2, 2021. A

I only just found out about Jordan's passing almost 5 years later while attempting to look up your family. My parents still live nearby and I think of you guys often. I was one of Jordan's first babysitters and I've never forgotten your boys even after all these years. I remember everything about that precious little face and head full of curly hair. I can still see the boys playing in the back yard together. Even at such a young age he (and Brandon) made a lasting impression. You were both such wonderful loving parents that gave your home such a welcoming vibe, I can still feel it today. My heart and prayers are with you all even after all this time. Much love!

I went to school with Jordan and we were good friends for a time before we settled into different groups of friends and lost touch. Learning of his passing hit me like a ton of bricks even though we haven't spoken in years. He will always be remembered as someone who was funny, outgoing, and lovable. I'm so sorry for your loss, he will be remembered by many.

Jordan was my first next-door neighbor back in college which is how we became friends. He always cracked me up when he'd come over because he would immediately go to my refrigerator and see what I had to eat. Even after we moved on in our lives, he always made an effort to stay in touch. Kathy, I never got to meet you, but Jordan would say the nicest things about you. I am so sorry for your loss. He was a great guy, and I'm really going to miss him.

My Dear Kathy there are truly no words to express the shock and heartache I feel for you. I remember you 'plodding' around at work when you were pregnant with Jordan. So many people I have known that had boys had a basketball belly. Not you though. All of you was pregnant. With you being so small, there was no place for a basketball belly. Toward the end of your pregnancy your legs and feet begin to swell. I would get so worried about you and so would Dr. Clark. You were meant to be a Mom. You have always been a nurturing, kind person and that is probably where Jordan got his 'old soul' from. Why you have had to suffer the loss of two sons I will never know. I am so happy though that his friends have surrounded you. If any comfort can be found in this terrible loss I know they have given that to you. I hate I can not be there to give you a huge hug. You, Brandon and Steve are in my heart and prayers. I love this picture of Jordan. He has your smile. I love you Karen Overall

Jordan was so kind to us. Joe was so honored to be asked to help him with Veterans interview. It was a treat for us. He helped us in so many ways taking us places and doing chores we couldn't do. He is gone too soon. His beautiful face will be missed.
