Rest in Peace Mama. I couldn't have asked for a better person to be my Mother. You were so beautiful inside and out what else could a person do but love you. You left me to soon but I won't complain because I will see you again and I'm coming with open arms. We were blessed to have you as long as we did, but your purpose on this side was complete. I guess when I will think of you and laugh while I'm watching Andy Griffin or I love Raymond at night like we did when you were here with me. I know that you are watching over me because you are my Mother and that's what Mother's do. Rest on Mother and to let you know that I will be alright. Love Always Your Daughter Quella Askew
